

Merry Christmas 2013 and Happy New Year 2014 From the Wolberts!

Hope all is well in your household.

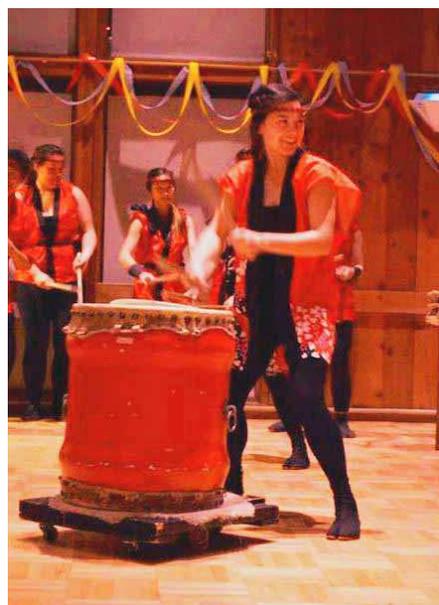

Here's what we have to say for ourselves....

Sarah: I graduated from UCSC this year and also received my TOEFL certification. I am now eligible to teach English as a second language, which I hope will broaden my employment options. In other words, I hope to find a nice job soon.

Lisa: This year I finally decided on a major of study: Biological Systems Engineering, which is a part of the Biological and Agricultural Engineering department at UC Davis. This past quarter I took a class in which I got to grow algae—something I'm really interested in and hope to work with more in the

future. I am continuing my journey as a Taiko player on campus, and now serve as the club treasurer. Between classes, work, and Taiko, I have been keeping extremely busy, but I am enjoying myself! I am already looking forward to a handful of events planned for 2014, and I can't wait!

Emily: This year I became a sophomore at Santa Cruz High, and I started to run Cross Country. I'm having a lot of fun at school, and I hope it continues! I look forward to another great year of 2014. Merry Christmas and Happy New Year to everybody!

We wish you the
best of everything
in 2014
